Club News.....

Hello everyone, we and has already had a pretty good turnout at the last monthly meeting, Thanks to Dan and I would like to report that we had two visitors show up with interest in joining the club. One of the potential joiners was into avionics in the Marines and Once again Dan has a pretty good feel for the principals of rc. He is currently training on a flight simulator program,

purchased a raptor. Thanks to Dan Robinson of Robby's Hobby's for letting these guys know about our club and it's meeting date/time. That was greatly appreciated. Once again Dan thanks for allowing us to use your place of business for our meetings.

At the last meeting, Dave Kasper brought up the idea of having our own swap meet this year at the Hampton Township Hall. We sure would welcome any or all feedback from the membership regarding this. Ric Toler was voted in as Treasurer at the last monthly meeting. Thanks Ric for accepting this role.

Quote /Joke Of The Month !

Heard on Southwest Airlines just after a very hard landing in Salt Lake City: The flight attendant came on the intercom and said, "That was quite a bump and I know what ya'll are thinking. I'm here to tell you it wasn't the airline's fault, it wasn't the pilot's fault, it wasn't the flight attendants' fault.....it was the asphalt!"

Minutes of the last meeting:

Letter From The President:

Hi Guys,

Thanks for your inputs on the changes to our by-laws. We had a real good meeting. Congratulations Ric Toler for being elected as our FEI treasurer. Two visitors were present and we hope they will return and become members of FEI. We are also looking at being involved in a swap meet at the Hampton Township Hall. Keep this in mind and we will discuss it more at the March meeting.

Bob
